Through the San Diego Retrocommissioning Program (Program)*, an RCx investigation conducted by [REDACTED] (RCxP) has identified several cost-effective retrocommissioning measures in this facility. By signing the *Implementation Incentive Offer* (Offer), [REDACTED] (Owner) commits to implementing the selected measures in the table below and confirms their agreement to and understanding of the following obligations and responsibilities. These measures are further detailed in the project's *RCx Investigation Report*.

Incentive Reservation Period and Implementation Commitment

PECI's commitment to reserve the incentive amount(s) contained in this Offer expires and will be void if PEGI has not received this signed Offer within 30 days of the date PEGI has signed below. Provided that this Offer is received within the required 30 day time period, the incentive amount(s) set forth in the Offer will be reserved for the Owner until [redacted] (the Expiration Date), and will be paid upon completion of the selected measures listed above in accordance with the terms and conditions of this Offer and the Owner Program Agreement (OPA).

Owner must progress appropriately and in good faith to complete timely implementation of the selected measures during the reservation period or this Offer shall immediately terminate on the Expiration Date and the reserved incentive funds will be withdrawn. Per the OPA, Owner has agreed to fully reimburse PEGI for the cost of the investigation should they not implement the measures specified above by the Expiration Date specified herein.

Should Owner complete implementation of measures which account for at least 30% of the total estimated kWh savings by [redacted] (the Bonus Date), PEGI agrees to pay an implementation bonus in the amount of \$0.005 per kWh saved, up to a maximum of \$ [redacted]. Bonus amount paid will be prorated based on the percentage level of savings achieved by the due date and updated energy savings calculations after measures have been implemented.

Terms and Conditions

The Terms and Conditions from the OPA, executed on [redacted], are hereby incorporated by this reference and shall to this Offer.

MEASURE IMPLEMENTATION: The Owner shall be responsible for implementing the selected measures and ensuring that any outside contractors that assist with or implement measures have the proper licensure.

PAYMENT: Implementation incentives will be paid upon (i) completion of the energy saving measure(s), (ii) submission of a completed *Implementation Summary Table* and all required evidence of implementation (submitted by the RCxP), (iii) a final site visit conducted by PEGI, and (iv) a possible site visit conducted by San Diego Gas & Electric Company (SDG&E®). In no event can the implementation incentives (including implementation bonus) exceed the cost of implementation. Please allow 30 business days from PEGI's receipt of all information for delivery of payment.

EVIDENCE OF IMPLEMENTATION: The Program pays for the reporting and verification requirements through an incentive to the RCxP for completing the *Implementation Summary Table* and verifying that all measures were implemented properly. Owner agrees to cooperate with this process by providing invoices, trend data, and other pertinent documents as needed.

INSPECTION, VERIFICATION AND EVALUATION: Measures may be selected for a post-implementation inspection. No warranty is implied by this inspection. SDG&E® and its contractors, PEGI, and EM&V contractors may request access to the property and may review and evaluate the project during and after completion. Owner agrees to provide reasonable access to the property for these purposes.

FACSIMILE/SCANNED SIGNATURES: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, shall be the same as delivery of the original signed document. Scanned original documents transmitted to PEGI as an attachment via electronic mail shall be the same as delivery of the original signed document. At the request of PEGI, Owner shall confirm documents with a facsimile transmitted signature or a scanned signature by providing an original document.
